TORONTO

Addendum #1

Request for Proposal

For

A Learning Management Engine

Request for Proposals No.: **UOT201615062**

Issued: **May 20, 2016**

Addendum to Request for Proposal No.: **UOT201615062**

This Addendum consists of two (2) pages, including the cover sheet.

Amendments

This amendment is incorporated into and forms part of the Request for Proposals for a Learning Management Engine (RFP# UOT201615062).

Please note the following additions, amendments, and clarifications to RFP UOT201615062:

1. Appendix E Section C.2 STAGE IIB: COMMUNITY EVALUATION has the following addition:

The University may record the short-listed Proponent demonstrations. The videos will be made available to University Faculty, Staff, and Students that cannot attend the live demonstrations due to scheduling conflicts or seating capacity. Their feedback will be incorporated and form part of the evaluation in Stage IIB. The videos will require a UTORid to access.

If there is more than one (1) recorded demonstration, the Proponent will be given the opportunity to select which demonstration video they want uploaded.
