

DEVELOPING MY SUPPORT PLAN

<p>What does my timeline include from today to August 31? Develop clear and reasonable goals, objectives, support strategies and outcomes.</p>	<p>What programming and resources need to be prepared and scheduled in this timeline? Work backwards from your outcomes to allow for effective preparation and development of supports, resources and programming.</p>
<p>What barriers may impede the support plan? Identify potential challenges early in the process.</p>	<p>What support will be required to accomplish this plan? Create meaningful opportunities to collaborate and communicate with colleagues, enablers and migration team.</p>
